

IT'S MAGIC

Magical Poodles can produce pedigrees. The Poodle Health Registry is a free international registry and pedigree database for all health conditions and diseases affecting all varieties of Poodles.

Nothing up our sleeves! Find authoritative information on Poodle health issues, links to other sites, and details on how to register your Poodle free. Look up many-generation pedigrees. Sign up is free and lets you browse the database and print reports.

www.PoodleHealthRegistry.org

Abracadabra! Poodle Health Registry is supported and endorsed by well-known and highly respected Poodle breeders around the world. Help them help you. Be part of the solution.

Amazing! Last year 2300+ users accessed over 230,000 Poodles worldwide. The Poodle Health Registry is an all-volunteer nonprofit 501-[c]-3 organization. It's supported entirely by donations. PHR Treasurer's Office: 1635 Grange Hall Rd., Beaver Creek, OH 45432, U.S.A.
